

# DREAM GIRLS CLUB

## HAPPY MOTHER'S DAY, MOM!

DREAM GIRLS CLUB would not exist were it not for Mothers! You brought your young daughters to us at nine years old, holding their hands and staying behind to ensure they were comfortable. Gradually, you released their hand and allowed them to come on their own, confident in the knowledge that they were equipped to make it safely back home, bubbling over with stories of the day's activities, new friends made, and the yummy refreshments. Thank you for your support!

For over 13 years, Aunt Margie and the volunteer team have shared stories, adventures and life with a host of outstanding Moms who deserve our kudos for raising beautiful, talented and thoughtful young ladies called DREAM GIRLS, who are on their way to greatness, just like you!

*We thank God for each of you wonderful Mom's!*

**Girls:** This is the perfect time to share how you feel about your mother! Don't hold back; she has already gone to the moon and back for you. Celebrate her on her special day.

It doesn't matter how big or small your effort is...it's that you do it with LOVE!
